In the United States Court of Federal Claims

No. 17-877C (Filed: October 16, 2020)

ORDER

On October 15, 2020, plaintiff in the above-captioned case, as representative of the Non-Dispute Subclass, filed a motion for leave to disburse 95% of the funds received in satisfaction of the court's August 20, 2020 judgment. Plaintiff explains that it has requested that 5% of the funds be paid to class counsel as an attorney's fee, but that there is no reason to delay distribution of the remaining amount pending the resolution of its attorney's fee motion. Accordingly, it "seeks leave for the claims administrator to distribute 95% of the funds paid pursuant to the judgment, while holding the remaining 5% in escrow pending resolution of the fee petition," and "proposes that the fees be distributed <u>pro rata</u>, with each class member receiving 95% of the funds owed to them" in accordance with the exhibit attached to its motion. Plaintiff represents that defendant takes no position on its motion.

For good cause shown, the court **GRANTS** plaintiff's motion. Plaintiff's claims administrator, JND Legal Administration, may distribute 95% of the funds recovered by the Non-Dispute Subclass in accordance with the exhibit attached to this order ("Exhibit A").

IT IS SO ORDERED.
